Lives and works in The Hague, NL

### Education:

2013-2015 Master, Film and Photographic Studies, University of Leiden, NL

1999 Application and melt-technics, Tetterode, Amsterdam, NL

1989 'Masterclass Glas', Gerrit Rietveld Academy, Amsterdam, NL

1983-1988 Royal Academy of Fine Arts, The Hague, NL

### Recent:

November 2015 research in Vaujours, FR, a nuclear contaminated area near Paris.

Fort de Vaujours was a formerly top secret key site for France's nuclear arms program, where core components of the country's first atom bombs were developed in the 1960s.

The site was closed in 1997 and, after efforts at decontamination, sealed to the public.
